

FOOD AND ACTIVITIES IN LEVICO

Though lunches are covered by the participation fee (packed lunch is an option but remember to book it by 7pm the day before!), dinners are not included. On Tuesday, we will go for pizza (pizzeria Millennium) altogether, for the other nights, here is some inspiration:

Some more inspiration for your free time around Levico:

- Lake tour: “Sentiero dei pescatori” is the main path to walk around the lake of Levico. No special equipment is needed (<https://maps.app.goo.gl/4evALyPEaVruBwYP8>)
- Hiking near “Lupa del Lagorai” (<https://maps.app.goo.gl/92GVDSqjvCdse5pQA>): you can reach Vetriolo by car and visit “Lupa del Lagorai” easily (20 minutes walk); otherwise you can choose to keep walking around the mountain (4 hours walk, trekking shoes required)
- Relaxing at the beach: Levico lake has a free beach where you can relax and take a bath (thus bring a swimsuit!), there are also many bars around (<https://maps.app.goo.gl/CYFHC9SMHUYwBEkp7>). Similar activities can be done at Caldonazzo lake (you can reach it by car in 10 minutes or by train/bus in about 30 minutes, <https://maps.app.goo.gl/JomJECHJJN8CaMpd9>)
- Visiting “Parco delle Terme di Levico (Parco Asburgico)”: it is the main park in Levico and here you can visit “Villa Paradiso”, an old building which has been Asburgo’s house (<https://maps.app.goo.gl/Y52xVAH5BvtULPih6>).
